TRC 850c/ TRC 960c/TRC 2050c Compact Portable Dictation Machines

TRC 850c/TRC 960c/TRC 2050c

Compact Portable Transcription Machines

Using standard sized audio cassettes, the Sanyo Compact range produce a high quality recording that can be easily duplicated or conveniently replayed on any domestic stereo system equipped with a cassette player. Review a meeting or discussion in you car.

All Sanyo Compact Portable Dictation machines feature a 3 digit tape counter for easy referencing, an earphone socket for confidential playback and a microphone socket which can be used to attach an external microphone (MM01) or telephone recording adaptor (TA103).

The dictation machines in the compact range are perfect for Journalists, Interviewers, Solicitors, Authors, Teachers and Students.
